

**Remarks/Arguments:**

Claims 1-16 are pending.

**Reissue Substitute Declaration**

Applicants have now enclosed a new Substitute Declaration that more particularly states at least one error upon which the present application is based.

**Surrender of Patent**

The original patent is now enclosed and being surrendered to the Office.

**Divisional Reissue Applications**

As requested, the specification has now been amended by including a cross reference to U.S. Patent No. 5,825,421, issued October 20, 1998, and a related divisional reissue application No. 09/691,858, filed on October 18, 2000.

**Claims**

Claims 13-16 are now in condition for allowance as a new substitute declaration has now been enclosed.

**Information Disclosure Statement (IDS)**

Applicants request that the Examiner acknowledge the IDS submitted on January 9, 2001. A copy of the IDS with a stamped postcard is enclosed.

**Acknowledgement of Foreign Priority**

In paper No. 4 (PTO-326), the Examiner acknowledged foreign priority by placing an "X" in (13)(b) (Same). The Examiner, however, did not indicate whether certified copies of the priority documents have been received.

Applicant requests that the Examiner clarify the foreign priority acknowledgement.
